YANKEE WIT.

Many years ago a Pittsburg iron firm purchased a lot of condemned bombshells for old iron. The shells were not loaded but in order to melt them it was necessary that they should be broken up. This was attempted with sledge hammers, but the laborers made slim Yankee came along and said:

"I understand you have a job for a

"How much will you pay?" "We will give you a fip apiece (six and a quarter cents) if you will agree

to break them all.'

the Yankee. 'The day was a cold one, words "One hundred acres," but fails and the thermometer down to zero. The man immediately went to work, but disdained to take the large sledge hammer which was offered him. The Yankee laid every bomb out on the ground with the hole up. He procured a bucket, filled them all with water; then he came into the house, made out his bill, and said he would call around in the morning for the money. Every one was much mystified, but in the morning their astonishment was great. The water had frozen during the night A widow is entitled to dower only and in the morning a pile of scrap iron was found, as the freezing water had broken every bomb into at least a dozen pieces.

AN EPISCOPALIAN HORSE.

"Have you two barns?" asked the "Yes, sah," replied the darkey; 'dar's de ole barn, and Mas'r Wales

'Where do you usually put the horses of clergymen who come to see in a most earnest manner inquired: "Well,
